

8th

ANNIVERSARY

NOVEMBER 9-22, 2018

2 Weeks of Celebration!

GIVING BACK TO THE COMMUNITY

Commisso's Fresh Foods • 8th Anniversary Sale Promotion

- **Commisso's Fresh Foods** is celebrating 8 exceptional years of retailing wholesome, fresh and tasty foods to the people in the Niagara region.
- Our **8th Anniversary Celebration** is taking place over 2 weeks, starting Friday November 9th and ending Thursday November 22nd.
- These celebrations will include a store wide sales promotion of our top selling items, backed up with radio ads, a 6 page flyer and many in-store promotions.
- We are also partnering with local food bank **PROJECT SHARE of Niagara** to help fill their shelves for the many families in need throughout Niagara at such an important time of year.
- There will be a two week **Food Drive** on Saturday November 10th and Saturday November 17th at **Commisso's Fresh Foods**.
- You can help out by purchasing \$10 food bags to donate.
- For your convenience we can direct invoice, tax receipts are available.

Partnering with Project Share, our local food bank

October 1, 2018

To our valued supporters:

Commisso's Fresh Foods is a valuable community partner to Project SHARE, the local food security agency in Niagara Falls. We have been invited to be a part of their anniversary celebration, and will be conducting food drives at Commisso's on Saturday November 10 and 17, 2018.

Unfortunately the need for emergency food in Niagara Falls is great as many residents remain food insecure. An average of 100 families access our emergency food program daily. We distribute over 1,000,000 lbs of emergency food annually, and could not do so without the support of community partners like Commisso's Fresh Foods.

Rocky Commisso and his team are committed to helping those less fortunate in their community. Last year this campaign raised 25,000 lbs of emergency food to help ensure none of our neighbours went hungry. I hope you will consider supporting them in their efforts to collect donations for Project SHARE in 2018.

Our most needed food donations are:

- Peanut butter
- Fruits & vegetables
- Baby food & formula
- Milk & dairy products
- Meat, fish, beans & other protein items

Project SHARE has a walk-in fridge and freezer and gratefully accepts donations of fresh, frozen and perishable items. Food donations are eligible for a charitable tax receipt if the purchase receipt or in kind donation invoice is supplied.

Please do not hesitate to contact me should you have any questions about Project SHARE and the families who are living below the poverty line in Niagara Falls who rely on us.

With thanks,

Adam Warriner
